### **Support for Teachers Seeking New Positions- Teaching Preferences Profile Survey**

In order for us to provide individualized assistance to you and support your efforts to secure a new teaching position we have created a tool that will enable us to provide school leaders with the most updated information about the talents and qualifications you possess and the type of position you are seeking. Please submit your information and preferences online through the following link to create a Teaching Preferences Profile:

<http://www.surveymonkey.com/s/RSDteacherpreferenceprofile>

**We have extended the period for which the survey link will be open. Please complete this information by Monday, June 20th** so that we can provide school leaders with the information you submit on this profile so that they can follow up with you directly about a possible interview.

### **Support for Employees Seeking Non-Teaching Positions**

Staff in non-teaching positions whose position has been eliminated due to district reorganization who seek to secure a new position in the district should send a copy of their resume and a cover letter detailing the type of position sought to Daphney Young at [Daphney.Young@rsdla.net](mailto:Daphney.Young@rsdla.net). This information will be provided to school leaders and central office department coordinators.
